

Be a generous Aussie and give a life-changing gift to someone in need this Christmas

We are so blessed in Australia, buying a gift can be difficult for friends who have everything. This Christmas buy your friends a life-changing gift in Cambodia that will make a real difference. You will receive a magnetic gift card to give your friend and show them how their gift is changing lives for our neighbours in Cambodia. You can spend as little as \$7.50 or as much as \$2,000 and you'll be contributing to the lives of children, families and a community in need in Cambodia through Sovanapoom Care, an approved AID & Development Project in partnership with Global Development Group. Checkout their work at www.sovanapoomcare.com
