Sovanapoom Church is held in the auditorium of the Community Centre. We have morning services every Sunday and regular meetings all through the week. We as a church believe that the Holy Bible is the true and living Word of God. We believe in the Trinity, the Father, the Son and the Holy Spirit.

Our church congregation includes the children and adults who reside at Sovanapoom Community Centre and others who live in the nearby villages. We often have visitors and volunteers from overseas who join us also.

The Sunday service is an energetic time of praise and worship with a practical study of the Word, usually preached in Khmer. We believe strongly in faith healing and welcome anybody with needs to request prayer.

Whilst we do welcome donations and giving towards the Sovanapoom Church which are used for needs within the church community and outreach, any donations towards the church are not tax deductible.
