

## Family Sponsor

Last Updated Tuesday, 17 August 2010

Our family needs your help. A commitment of \$40 a month will help to change the future for so many of Cambodia's children, living in and around Sovanapoom Care's community projects.

Please choose today to make a lasting difference in the lives of at risk children in Cambodia. Your gift each month will go towards providing nutritious food, clean water and sanitation, clothing and a good education which will give the Sovanapoom children a chance to change theirs and Cambodia's future.

Choose to make a real difference in the lives of children in Cambodia today!  
Sovanapoom Care needs 300 people who will commit to supporting \$40 each month towards their community development work in Cambodia

When you become a monthly sponsor of our family for \$40 a month, your donation will go towards providing for the everyday needs of the children who call the Community Centre home.

Unlike other sponsorship programs, sponsors of Sovanapoom Care help to support the whole family. These funds will go towards providing education, food, clothing, medical and dental care and any other needs as they arise to over seventy needy children currently living within the Community Centre in Kandal Province, Cambodia.

Your monthly sponsorship will go towards providing:

- Clean water and sanitation facilities to prevent disease for the community
  - Nutritious food to help the children grow strong and healthy
  - Medical and dental care when necessary
  - A international standard of education for the students from pre-school to vocational training, to equip the children with the skills to become self sustaining in the future
  - Training in good hygiene and sanitation, and emergency food for mothers and children in the local district
  - Outreach to the local community with emergency medical aid, food assistance and other support as necessary
  - With your support we will also be able to rescue more Cambodian children at risk from trafficking, malnutrition and disease
- Your support will create an ongoing legacy for the children of Cambodia

When you sign up to become a family sponsor you will receive in the mail a sponsor's card with a photo of our family and regular email newsletters direct from Cambodia keeping you up to date on the progress at the Centre so you can see what a difference your support is making in the lives of the children and their community.
